Label:

ZigBee Zone Wiring Center Power Supply: 120V~, 60Hz

RF Frequency: 2.405-2.480GHz

Relay Load Max.: 3A per relay Total Load Max.: 24V~,3.3A

Pump Relay Load Max.: 277V~,1/10 HP

Boiler Relay Load Max.: 120V~,3A(resistive)

FCC ID: 2AG86-AKL08RF

IC: 21063-AKL08RF

CERTIFIED TO CSA STD. E60730-1

145

Made in China Fabriqué en Chine

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.
